IF YOU WOULD LIKE TO HAVE YOUR SHOW OR SALE LISTED IN OUR CALENDAR OF EVENTS AND ON THE HAMPSHIRE WEBSITE, PLEASE EMAIL US THE INFORMATION. FOR SALES TO BE LISTED YOU MUST BE SELLING REGISTERED HAMPSHIRE SHEEP.

# Greetings from your President

Hampshire Breeders and Members,

I hope you all have had a good summer, it is hard to believe that it is time to put the rams in already. Sedalia was another success for Hampshires in both wether and breeding sheep sales. We also had our very first junior show there. We had participants from several states, with very good quality sheep. We plan on having it again next year and growing entry numbers.

NAILE looks to be very busy again this year. Junior shows for purebred wethers and breeding sheep are on both Saturday, November 10th. That Saturday evening we are planning for another Stars of Louisville sale. We are looking for more quality consignments and buyers. Successful sales need buyers and sellers, both are equally important and for those of you that have participated in the past - thank you. If you are interested in consigning this year, please let Mr. Ebert know. Our Hampshire events will end on Wednesday, November 14th with the open show. During the weekend, we will have another benefit auction to support the scholarship fund, if you have any questions please call Phyllis Davison, our director from district 5. Finally, please plan on attending our annual meeting that will be held the evening of November 13th.

Jeff and his very capable office staff have worked hard to get through the summer rush. Now that things have slowed down, the very popular amnesty program is back through the end of the year. You can register animals at the \$4 rate per head. Also, because of the growth, our office has outgrown its current location and will be moving just down the street to a larger office later this fall. Our efficient turnaround time and growth is in large part thanks to the great office team. I would like to thank Janette Fund, Joelle Sylvester, Kim George and Mackenzie Padgett and welcome our newest team member, Jennifer Wenderott.

Each of you as members are encouraged to contact your area director, director at large or the office if you have any inspirations, ideas or issues. We are looking for ways to reinvest with the goal to be growing the Hampshire breed. Show, sales, social media and the website are all areas that we have improved upon recently and had a lot of positive feedback. Keep your ideas coming, so that we may continue to improve the association for all of us. Also, Jeff still needs promotional pictures for many different marketing objectives. So please send in your favorite snapshots that highlight Hampshires. Thank you for taking the time to read this and I wish you a safe fall and I hope to see you in Louisville.

**Scott VanSickle**

## ADVERTISING IN THE HEARTBEAT

**\*\*Printed three times a year\*\***

WINTER ♦ SPRING ♦ FALL

You can choose to run an individual ad in a single issue of your choice, or choose a three-issue contract. Contract ads will be placed in three consecutive issues of the Hampshire Heartbeat. Contracts begin with the next available issue and run through the next two consecutive issues. Either an individual ad or a contract can be purchased at any time throughout the year. Prices for both types are listed below or advertises who provide ads ready for publication will receive a 15% discount on the listed prices. You may find more information at [www.hampshires.org](http://www.hampshires.org).

Call to the  
**129th Annual Meeting**  
of the American Hampshire Sheep Assn.

**The 129th Annual Meeting of the American Hampshire Sheep Association is hereby called to meet Tuesday - November 13, 2018 - 6:00pm - at the North American Livestock Exposition in Louisville, Kentucky.**

**The Purpose** of the Annual Meeting will be to elect Directors from Districts 1, 5 and 7 as well as one At-Large Director and to transact any other business which may come before the Association. Election of Officers (President, Vice President and Executive Committee) shall be made by the Board of Directors, following the Annual Meeting. These newly elected officers and the Executive Committee shall serve for one year, or until the next Annual Meeting.

**A Ballot** will be mailed to you for your convenience, should you be unable to attend in person, as set forth in Article XVI of the constitution. Exercise your rights and take advantage of the ballot to fulfill your responsibility as a member of the AHSA. Please follow the instructions on the ballot so your vote will be valid. Ballots must be postmarked by November 5th.

**Directors Whose Terms Expire:**

District 1: Lisa Hanson, OR (served 3 terms, ineligible for re-election)  
District 5: Phyllis Davison, KS (served 3 terms, ineligible for re-election)  
District 7: Scott Van Sickle, KY (served 2 terms, eligible for re-election)  
At-large: Tom Bobendrier, MN (served 2 terms, eligible for re-election)

**Only Senior/Active Members** residing in the districts up for election may vote for a Director in their District.

**All Senior/Active Members may vote for the At-Large Director.** An active member is defined as a member of the AHSA who has paid dues in the last 24 months.

**Minutes of the Annual Meeting** will be mailed upon request only.

**Annual Meeting with Horsd'oeuvres** will be held on Tuesday - November 13, 2018 at 6:00pm - in a meeting room to be announced at the North American Complex.

**North American International Livestock Exposition**  
**Schedule of Hampshire Events:**

Junior Breeding Sheep Showmanship -- Friday • November 9th • 10:00am  
Lead Line Contest -- Friday • November 9th • 5:00pm  
Junior Market Lamb showmanship -- Friday • November 9th • 5:00pm  
Junior Hampshire Wether Show -- Saturday • November 10th • 8:00am  
Junior Breeding Sheep Show -- Saturday • November 10th • Follow the Oxfords  
Stars of Louisville Hampshire Sale -- Saturday • November 10th • 5:00pm  
Open Hampshire Show -- Wednesday • November 14th • 8:00am

Respectfully,

Jeff Ebert, Executive Secretary

# FEATURING METRO/RUPNOW HAMPS

## INTRODUCE YOURSELF & YOUR FAMILY

Metro Hamps/Rupnow Hamps LLC consists of Jim and Sue Rupnow and Heidi, Alan and Ty Thorson. Heidi is the youngest of Jim and Sue's 4 children. We currently live and farm in Columbus, WI, just 20 miles north east of Madison, WI.

## GIVE US A BRIEF DESCRIPTION OF YOUR HAMPSHIRE FLOCK

The farm started in 1976 in Wausau, WI when Jim and Sue bought their first Hampshires for a 4-H project for the kids. In 1990 we decided to change the direction of the flock and move to more of a wether type sheep to have lambs for the kids to show at the county and state fair. We purchased a ram from Cabaniss Club Lambs that took us to a whole new level. Jim and Sue continued to keep the flock growing as the kids went through college. In 2002, Heidi and Alan started their own flock of registered Hampshires in Covington, GA with 6 ewes purchased from Jim and Sue and a Ram from Heidi's brother, Eric Rupnow. In 2007, Heidi, Alan, and Ty moved back to Wisconsin and we worked together with Jim and Sue, sharing rams and resources. In 2016 the 2 farms were merged and officially became one. We currently have 65 mature ewes with 15 replacement ewe lambs ready to go into production.

## WHY DID YOU CHOOSE TO INCLUDE REGISTERED HAMPSHRIES IN YOUR SHEEP OPERATION?

Sue grew up raising Hampshire sheep in northern Illinois so it was a logical choice for her when the Rupnow Hamps flock started. We find Hampshire sheep to be versatile and functional on many levels. They fit well as a wether type and as a slick shorn breed. We truly love the way they look on pasture as well as all cleaned up in the show ring.

## WHAT IS THE FAVORITE PLACE YOU HAVE VISITED?

Let's face it, we don't go many places that don't involve a sheep show and we cherish the people we have met and the opportunities we have had attending shows across the country.

## **WHAT ADVICE DO YOU HAVE FOR PEOPLE STARTING OUT IN THE SHEEP BUSINESS?**

Focus. Pick the type of sheep you want to raise and stick with it. Don't chase trends. Study pedigrees and find breeders that you trust when it's time to buy a ram.

## **WHAT ARE ONE OR TWO ITEMS THAT YOU HAVE FOUND TO BE CRITICAL FOR THE SUCCESS OF YOUR SHEEP OPERATION?**

We have found keeping replacement females for a consistent ewe base both phenotypically and genetically is key. As a small flock, this allows us to change one piece at a time with a single ram purchase.

## **WHO ARE SOME PEOPLE THAT YOU CREDIT FOR YOUR SUCCESS WITH HAMPSHIRE?**

Cabaniss Club Lambs really changed our flock back in the 90s. We consider our ewe base uniquely ours with almost all of the ewes born here on the farm from rams purchased from Ott Club Lambs, MacLennan Club Lambs, and Miller Hampshires throughout the years.

## **WHAT IS YOUR FAVORITE SPORTS TEAM?**

All Wisconsin. Brewers, Badgers and The Green Bay Packers. On Wisconsin!

## **WHAT IS THE TOP ITEM ON YOUR BUCKET LIST?**

Jim and Sue: Trailing the Sheep in Idaho.

Alan and Heidi: We want to experience every state fair in the US.

Together we would like to hit all the stops on the Kentucky Bourbon Trail in Kentucky while attending NAILE.

## **WHAT IS YOUR FAVORITE FOOD?**

Ty says Culver's Ice Cream! Sue says rack of Lamb.

Jim and Heidi love prime rib.

Alan really enjoys finding good aged cheese.

# SHEEP SCENES

# FEATURING TOM AND MONA HUBER

## INTRODUCE YOURSELF & YOUR FAMILY

Tom and Mona were raised on farms in Indiana and Kentucky, respectively. They have lived in Georgia since 1966. Tom is a retired professor of physiology and pharmacology from the University of Georgia veterinary college. They purchased a 35 acre farm in 1972 and have had sheep ever since. Tom served 18 years on the Hampshire board of directors and as president for four years during the computation of the office and the centennial. The Huber sheep listed as examples on the registration applications were the first sheep added to the computer program.

## GIVE US A BRIEF DESCRIPTION OF YOUR HAMPSHIRE FLOCK

We started with a small commercial flock to determine how sheep would do in the Georgia climate. In the late 70's we purchased two Bobendrier ewe lambs at the North American Hampshire sale and a Hampshire ram from Van Fleck farms. We now have 25 home bred ewes and have used home bred rams the last several years. Although we have not consigned sheep to many sales we have sold sheep into 11 states and 1 foreign country (Aruba).

## WHY DID YOU CHOOSE TO INCLUDE REGISTERED HAMPSHRIES IN YOUR SHEEP OPERATION?

We wanted to participate in Hampshires association activities such as shows, sales, and annual meetings. It was a good way for us to find replacement rams and ewes of the type we needed. Also, registered Hampshire were needed by young exhibitors for their shows.

## WHAT IS THE FAVORITE PLACE YOU HAVE VISITED?

Aruba. The folks who bought 2 ewes and a ram from us have become close friends. We visited Aruba and had a great time.

## WHAT ADVICE DO YOU HAVE FOR PEOPLE STARTING OUT IN THE SHEEP BUSINESS?

Determine what area of sheep production that you think you are interested in. Visit a farm of a successful producer of sheep that you are interested in. Look at all sheep and facilities including amount of pasture, fences, barns and anything else you had not thought of. I tell folks not buy many at first and keep them through breeding, lambing and marketing. Then decide if you want more or none. Make sure that you start with healthy sheep.

## WHAT ARE ONE OR TWO ITEMS THAT YOU HAVE FOUND TO BE CRITICAL FOR THE SUCCESS OF YOUR SHEEP OPERATION?

Learning what type of breeding program will result in sheep that can handle heat and humidity and don't need a feed bucket the year around to stay in good body condition and healthy. Select replacements that have some immunity to internal parasites.

## WHO ARE SOME PEOPLE THAT YOU CREDIT FOR YOUR SUCCESS WITH HAMPSHIRE?

It is impossible to name all the people who have given me advice during the past 40 years. But a few including: Buster Wilson, Dan Schlichter, Jim Cretcher, and Pete Bobendrier were helpful along the way.

## WHAT IS YOUR FAVORITE SPORTS TEAM?

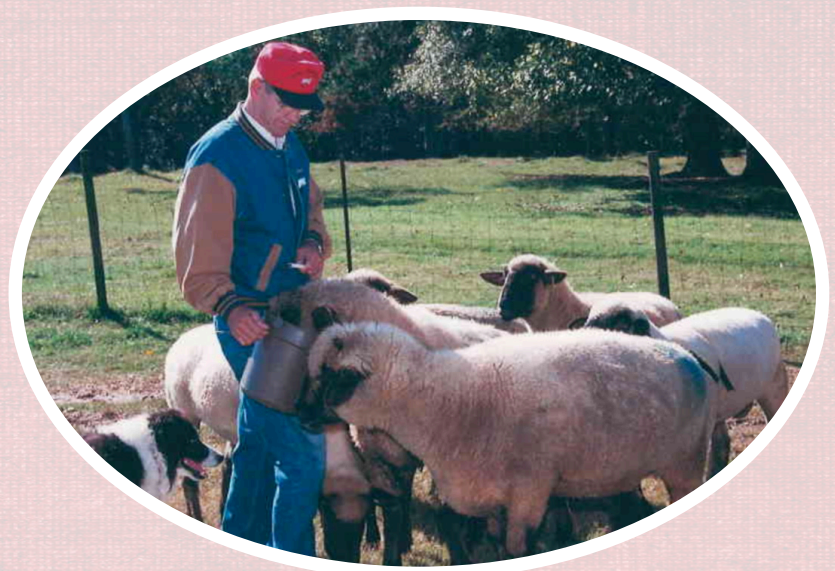

Purdue basketball since I am a former Purdue player. Football is Georgia Bulldogs.

## WHAT IS YOUR FAVORITE FOOD?

Country Ham

## WHAT IS THE TOP ITEM ON YOUR BUCKET LIST?

Both of us stay in good health and continue to visit and hear from long time Hampshire friends.

# KING DIAMOND RANCH

**Sir Thomas**

## Champion Ram 2018 CA State Fair Open & Junior Hampshire Shows

Sired by King Arthur and dammed by KDR 22 Daisy, he was undefeated this summer. He is now at work for spring born lambs - watch for them!

## **Hampshire Promotional Items Available for Purchase**

The American Hampshire Sheep Association has several items for sale to help promote Hampshires. We currently have t-shirts, hats and hoodies in stock in various sizes and colors. We will have a limited supply of each available in Louisville during the North American for purchase. T-shirts and hats are \$10 each and the hoodies are \$35. These items make excellent Christmas or birthday gifts for the Hampshire sheep lover in your family. If you would like to order these items you can use the work order and fee schedule to submit your order by mail, or you can call us at 785-456-8500.

We also have Hampshire flockbooks for sale. These are published annually and contain all Hampshires that were registered and transferred in a calendar year. These are \$50 each. We have some copies available for past years, so please specify the year when ordering.

# Stars of Louisville Hampshire Sale

Held in conjunction with the  
North American Livestock  
Exposition

# Stars of Louisville Hampshire Sale

## Saturday, November 10th - Louisville, Kentucky

**Sale Day Phone: 785-458-9174**

**Managed By: American Hampshire Sheep Association**

**PO Box 231, 305 Lincoln St. Wamego, KS 66547, 785-456-8500**

**Jeff Ebert, Executive Secretary**

**Auctioneer: Scott Van Sickle, 270-792-7173**

**Judge: TBA**

### General Information

Time and Location: The sale will be held in conjunction with the North American Livestock Exposition in Louisville, Kentucky. The sale will be held in the exposition center starting at 5:00pm on Saturday, November 10, 2018.

### Terms and Conditions

Terms: Cash. Institutions may pay by requisition. The auctioneer will settle any dispute as to the bid. All animals are at purchasers risk as soon as sold. Canadian buyers must pay in U.S. funds. All sheep must be paid for the day of the sale and mail bids secured with MasterCard or Visa.

Registration and Health: All sheep are registered and will be accompanied by proper health certificates. All sheep will be transferred to their new owner at the consignor's expense.

Bred Ewes: The seller must specify if the ewes are open or bred, and if bred, a breeding certificate must be turned in the registration paper and health at check in time.

Substitute Entries: Substitute entries are permitted and they will be designated with a line or bar under the number on the back of the sheep. The exhibitor has this pedigree information at his pens, and if possible, it will be read from the auction block.

Mail Bids: If you are unable to attend the sale, you may contact one of the following representatives of your choice to handle your mail bids. These include: Jeff Ebert 785-458-9174 or Tom Bobendrier 507-215-0334.

Sale Release: Sheep sold in the National Hampshire Sale will be eligible for immediate release following the sale.

Notice: Neither the sale management nor the consignors to the sale assume any risk or liability in case of any accidents of any kind or losses of any kind to any person or persons in attendance at the sale.

### Sale Guarantee

Except for those stated in the below guarantee, there are no warranties, either expressed or implied, as to merchantability or fitness for a particular purpose with respect to the sheep being sold in this sale. The warranties and guarantees set forth in the below guarantee are in lieu of all other warranties, either expressed or implied, and the remedies provided therein shall be the sole and exclusive remedy of the buyer, or any party claiming through the buyer, for any breach of warranty or guarantee therein provided, and all other obligations or liabilities.

1 - Every ewe sold will be guaranteed as a breeder if properly handled. It shall be the responsibility of the buyer to return a non-breeder to the seller in acceptable breeding condition. The seller, after a fair trial and the animal is found to be a non-breeder, shall have the privilege of replacing the ewe with one of equal value to the satisfaction of the buyer or refunding the purchase price. This guarantee shall not apply to any sheep that are shown subsequent to the date of sale.

2 - Ewes sold as bred ewes that are not, in fact, bred, shall be adjusted by one of the three following seller's options: a. replace the original ewe with another bred ewe, or with a ewe with lambs at side to the satisfaction of the buyer, or B. the buyer to keep the original ewe with the seller to provide a compensatory lamb or lambs to the satisfaction of the buyer, or, C. the seller to refund a compensatory 20 percent of the original purchase price due to the lack of lamb crop.

3 - This guarantee shall constitute a contract between the buyer and the seller only, and no other parties assume any liability, legal or otherwise, expressed or implied.

## Lot 1- Fitted January Ewe Lamb Taylor Stock 89

Born: 1-4-18  
Sire: Caskey 5421 600213  
Dam: Rolling Hills 10116 TW 32901D  
This ewe lamb is right out of our show string with a great beginning to her life. Reserve Champion Midwest Preview, 2nd Ohio State Fair, 1st Kentucky State Fair. Consistent member of our group classes and when you study her pedigree goes back to Caskey program & Wilson program. She will make a great show yearling then onto a great brood ewe either for natural program or ET program.

## Lot 2- Fitted January Ewe Lamb L&L 18-802 77110D

Born: 1-21-18 RR NN  
Sire: SF 1532 601991  
Dam: Bobendrier 16-08 61606D  
Strawberry Fields 1532 is a monster L&L 28 son that sired our deepest set of ewe lambs yet. L&L 28 was our reserve champion ram at the 2012 NAILE and most of our success and the success of our customers can be traced back

to this line. There haven't been many sheep sold that combine the famed Bobendrier genetics and the L&L 28 line, so take advantage of this opportunity. Stop by our pens if you want to see what her sisters look like!

Consigned by:  
**Cahoon Farms**  
107 E High Street  
Orangeville, IL 61060

## Lot 3- Fitted March Ewe Lamb CAHOON 509 75734D

Born: 3-2-18 TW  
Sire: "Free Water" 596325  
Dam: CAHOON 387 50748D  
A late born ewe lamb with wool, bone and style. She is well balanced, super correct and good footed. Full sister to the 6th place futurity ewe lamb last year.

Consigned by:  
**Bobendrier Boys**  
1351 Highway 75  
Pipestone, MN 56164  
(507) 215-0334

## Lot 4- Fitted February Ewe Lamb Bobendrier Boys 18-11 73399D

Born: 1-3-18 TW RR  
Sire: Caskey 6422 "Stealth" 601183  
Dam: Bobendrier Boys 16-46 61891 D  
18-11 comes from a pedigree goldmine! She has 4 generations of our very best dams behind her. She combines this with some of the breeds best sires; such as Koehler "Times Square", "Bison", "Breakthrough", and "Red Baron"; Caskey "Stealth", and Wheaton "Power Bilt". 18-11 has beautiful breed character, is very stout

boned, round-ribbed, and is angular and straight in her pattern. Great yearling show potential!!

White Heath, IL 61884  
217-377-2073

## Lot 5- Fitted February Ewe Lamb Mumm 1820 RR 73617

Born: 2-19-18 RR  
Sire: Bobendrier Boys 15-16 600107  
Dam: Mumm 1657 61663D  
This ewe was in our show flock this year. Bobendrier Boys 15-16 sired an excellent set of lambs for us including our class winning ewe lamb at IL State Fair. Mumm 1657 is rich in Held and Bobendrier blood lines. This ewe will compete and make a stud ewe.

Consigned by:  
**Suzanna Storms**  
859 Washburn Rd.  
Washburn, IL 61570  
309-645-3052

## Lot 6- Slick-Shorn February Ewe Lamb Storms 703

Born: 2-11-18  
Sire: Storms 621 600759  
Dam: Storms 441 32509D  
Sired by Storms 621 "Excessive Force", making her a paternal sister to the Grand Champion Hamp ewe at the Iowa State Fair Jr show this summer and the class winning buck lamb at the Indiana State Fair. This ewe family has produced several class winners at the NAILE Jr show. Square hipped, extended front end with lots of bone and shag. Exposed for late Jan/Feb lamb.

# YOUTH

## The Importance of Record Keeping

Record keeping is a very important part of raising sheep, especially when it comes to breeding animals and filing taxes. While record keeping can be used in a lot of different aspects of life, it is very important in the sheep industry and it helps breeders and buyers it purchasing lambs.

While many producers will use record keeping for their businesses and other aspects of their lives, many forget that keeping records of production still is very important and can help a producer be more efficient and organized when trying to find information about a lamb or a ewe.

### Why Should I Keep Records?

When producers go to breed ewes, it is important to keep track of what ewes are bred to what ram, so it makes it easier when the breeder goes to register lambs when they are older. Keeping track of the date of birth, birth type, dam, and sire are all vital when it comes to registering sheep.

Not only is it important to keep records of individual sheep, but also keeping records of business decisions, income, purchases, and other profits and expenses to ensure organization and make it easier to find relatable information when it is needed.

Many breeders who run large flocks, try to keep as accurate of records as they possibly can to save time and effort in the future. If a potential buyer wants to know more about a certain lamb and a breeder has records that are precise, it is easier and more efficient to find the information that is then needed. This makes the producer look more organized and know what they are looking for and it could potentially help buyer out if they know of the relevant information.

### How Do I Keep Records?

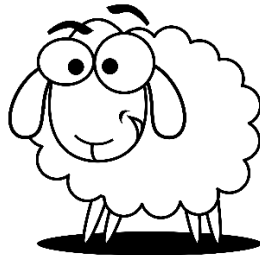

There are many ways that producers can keep records, including hand written notes, a journal, software programs, check books, and ledgers. Keeping records can be personalized to any one's producers own preferences. There is no standard way to keep records, it can be based on a specific person's needs and what they expect to get out of it.

Electronic record keeping has become much more popular as programs like Microsoft Excel, QuickBooks, and Quicken. If a producer needs a program to run the business side and profit and loss statements, programs lie QuickBooks and Quicken are proven and help with the success of a business. If a breeder just wants to make lambing and production records more organized, programs like Microsoft Excel will help put everything in a neat layoff that way it is easy to find.

Keeping records can prove to come in handy in many instances and it can beneficial, especially if breeders and members learn to start keeping records a young age. Many 4-H and FFA activities involve record keeping, and it could be a helpful skill to learn. Record keeping can be done by hand at a very simple level, or it can become more detailed where it starts to involve business transactions and tax information.

## Please include a writeup with the following information included:

When/Where did you first start with sheep? and how did you acquire them?

Who was responsible for encouraging you to start breeding Hampshires?

How many previous generations in your family have raised Hampshires?  
If any, please list names, dates started and location of flock.

How many current generations are involved with Hampshires?  
If any, please list names, dates started and type of involvement.

Have you or your family received any significant Local, State, Regional or National awards or recognitions within the sheep industry?

Have any animals from your flock earned Champion honors at the Local, State, Regional or National levels?

How have you supported the AHSA and the sheep industry?

What is your involvement with the sheep industry today? and what is the current state of your Flock?

Please send along no more than 20 items: photos, old registration papers, or other documents authenticating the existence of a Hampshire flock owned by your family?  
Please provide captions for each photo/item.

**Make sure to return your application to the AHSA Office by October 25th!**

**AWARDS WILL BE GIVEN AT THE AHSA ANNUAL MEETING IN LOUISVILLE...**

**SO MAKE PLANS TO ATTEND, HOWEVER IF YOU ARE UNABLE TO BE AT THE MEETING THEY WILL BE MAILED TO YOU AFTERWARD.**

# American Hampshire Sheep Association Photo Contest

The American Hampshire Sheep Association is seeking outstanding high-resolution photos that showcase Hampshire sheep in their natural settings or youth with their Hampshires. The photos may be used as Heartbeat covers or for promotional displays and advertisements.

The AHSA will provide the following cash awards to the top five photos selected. The winners will be selected by an outside third party. These photos must be taken with a camera that allows for the reproduction of high-quality prints.

First	\$100
Second	\$75
Third	\$50
Fourth	\$40
Fifth	\$30

Winners will be featured in the spring issue of the Hampshire Heartbeat.

Image requirements:

High-resolution file vertical format works best for cover photos.

Include: Your name, phone number, email address and photo description.

Photo deadline: April 15, 2019

Send your photos to [asregistry@gmail.com](mailto:asregistry@gmail.com)

If you have questions do not hesitate to call Jeff at 785-456-8500

# *Experiences Of A Summer Intern*

by Mackenzie Padgett

Growing up in the sheep industry I have always enjoyed getting to meet different breeders, attend shows and sales, and learn about the different sheep breeds at those events. When I heard about the American Hampshire Sheep Association Internship, I thought this would be a great opportunity to learn more about Hampshires, what happens behind the scenes, and how they differ from what I have learned raising Southdowns.

I would not have imagined what all I have learned and gained this past summer would be possible, but it definitely was fun! Not only did I learn about how to register sheep, not only Hampshires, but some of the 31 other breeds that Associated Registry covers, I also got to meet many people that I would otherwise not have met. The office staff great to work with and very helpful along the way, but the breeders I got to meet made this internship so much more exciting!

Being able to travel to different shows and sales, I learned about how to efficiently run a sale and still have fun while being there. During my time as the AHSA intern, I was able to travel to 3 other states to attend the National Cheviot Show & Sale, the Midwest Stud Ram Sale, and the All-American Junior Show. Sitting in on a board meeting and hearing how engaged and excited directors are was awesome to see that people are willing to make not only this association more successful, but help all the associations become more successful, as well.

Not only was I able to travel, but my duties within the office seem to vary at times, which was fun since I got to be diverse in my internship. While I got to experience multiple jobs while working as the intern, it's hard to put into words and remember everything I learned over the last 3 months, but I can say for sure that I have learned a lot!

Being an intern at the AHSA office this summer was one to remember, and I am grateful for the time I spent in Wamego, KS. Internships definitely help you figure out what

your likes and dislikes are, as well as, help determine your skill set. I would recommend to anyone who loves to travel, enjoys meeting new people, and likes being a part of the sheep industry to definitely watch for the opportunity next spring to be an intern at the AHSA office!

---

## ***Auction of Hampshire Heartbeat Backpage***

As in the past the American Hampshire Sheep Association will auction the back page of the Hampshire Heartbeat during the AHSA annual meeting in Louisville on Tuesday, November 13th. The winning bidder receives advertising rights to the back cover for the winter, spring and fall issues of the 2019 Hampshire Heartbeat. If you can't be in Louisville for the AHSA annual meeting and would like to bid on this back-page ad, you can call Jeff at 785-456-8500 or 785-458-9174 to place a confidential phone bid.

Thanks to Shear We Go Farm for purchasing the back cover last fall for the 2018 Heartbeat.

# AHSA Board of Director Elections

The board of directors is comprised of directors from eight districts and three at-large directors. Directors are elected for a three year term and may serve three terms before being retired for at least one term. There may be no more than two directors from any district and only one per state. Directors are asked to attend two board meetings per year and participate in some conference calls. Directors do not receive a salary; however, expenses are reimbursed to directors for one meeting of their choice, per year. The following director positions are up for election in 2018.

**District 1- WA, OR, CA, NV, HI, AK**

**District 3- AZ, NM, TX, OK**

**District 5- NE, IA, KS, MO**

**District 7- KY, WV, VA, AR, TN, NC, SC, LA, MS, AL, GA, FL**

**District 8- PA, NY, VT, NH, ME, MA, CT, RI, NJ, DE, MD**

**District 2- MT, ID, WY, UT, CO**

**District 4- ND, SD, MN, WI**

**District 6- IL, IN, OH, MI**

The following individuals have chosen to run for the AHSA board of directors. All senior members who have paid their annual dues in the last 24 months should have received a ballot. Envelopes with your ballot must be postmarked by November 5th to be valid for the director's election.

## District 1 – Dina Tesconi-King

Dear Hampshire Breeders and Enthusiasts:

Give a kid a lamb and....that's all it took to get me hooked on the sheep industry at the young age of 8. My family had strong agricultural roots in Sonoma County and joining 4-H started my journey. And what a journey it has been, along the way our Hampshires helped paint a picture that is priceless. My name is Dina Tesconi-King and I am seeking election of the American Hampshire Sheep Association District 1 Board of Directors. It is time for me to give back to the association and industry that has given me so much. My Hampshire flock started with three aged Hogg/Hubbard ewes and the mentoring of Bruce and Jill Lane. My passion for the sheep grew and the project became a family endeavor that took us up and down the state of California and across the country to shows and sales. I'm grateful my parents, Dennis and Kathy Tesconi, were up for the challenge my sister Lisa and I presented. The best life lessons, experiences and memories were learned with our sheep, family and friends. Today I live in Sonoma County, California with my husband Arnold and our daughters Courtney and Amanda. When the girls were young I wondered if they would have a passion for agriculture and the sheep industry like I did, hoping to build the same life changing experiences for them. To no surprise they have that competitive spirit, the love for animals and a passion for ag. Courtney took us on a new adventure in the pig industry and stayed involved in the sheep project while Amanda carried on the Hampshire flock. King Diamond Ranch is located in Petaluma and our flock includes fifteen registered brood ewes. To the AHSA board, I will bring a can-do attitude and the openness to listen. The sheep industry is strong and so much more diverse than ever before. As leaders we need to ensure we provide solutions that match that diversity and encourage participation from juniors and seniors alike. The AHSA board has continued to be a driving force for our breed and I would like to join the team to contribute as the Director of District 1.

Thank you in advance for your consideration.

Best regards,

**Dina Tesconi-King**  
**King Diamond Ranch**  
**dinamking@hotmail.com**  
**707.322.3469**

## District 5 – Gary T. Klug

Fellow Hampshire Breeders,

I am asking for your support and vote, in the upcoming American Hampshire Sheep Association's Board of Director's vote. I, Gary T. Klug, am running for the District 5 position.

I am a longtime member of the Association-registering my first crop of Hampshires in the spring of 1973-our family has been raising them under the flock name 'Highland Hampshires'. We currently have about 45 ewes-we exhibit around the Midwest and consign to numerous sales.

I am a firm believer that the sheep have raised and formed us, as people, too. I learn something about myself every year, from the sheep-especially during lambing-and it's not always good things either! I am a loyal enthusiast in the Hampshire sheep, intrigued by their history and excited about their future! I certainly have enjoyed and relished the friendships I have developed over the years of raising Hampshires.

I was a recent volunteer at the Arksarben Sheep and Goat show-it is just great to see all the Hampshire influence and Hampshires in the show. It wasn't that many years ago, where wether breed shows were struggling to get classes of Hampshires that looked like Hampshires. It is the Hampshire breed that has put the 'oomph' back in our commercial black faced flocks

If I am elected to the Hampshire Board, I hope to support the recent changes made to the structure of the Hampshire office, The Registry business and the proactive stance of the Association. I pledge to make progress with the Junior Association-the youth are the future of the Breed. I feel we must give them an opportunity to develop leadership skills on a National level, develop new friendships that will result in life long relationships and an outlet where they can express their thoughts and ideas about the Hampshire Breed.

I am sincere about my intentions as a Board candidate-willing to devote my time and energies. Thank you for taking the time to read this and for your consideration. I will appreciate your vote.

**Gary T. Klug**

## **District 5 – Ted Van Horn**

My sheep interest started with a 4-H project. I was the youngest of 4 kids growing up on a dairy farm in Ottawa KS. We had a neighbor that ran a commercial flock of ewes and somehow I become the orphan lamb bottle feeder at a very young age. When I was seven I purchased several bred registered Hampshire ewes from Waldo Farms of DeWitt Nebraska. I have had Hampshire ewes ever since. My daughter, Jansyn, and I currently run around 35 Hampshire ewes and 15 Shropshire ewes. I graduated from Emporia State University in 1985 with a Bachelor of Science in Business with a Minor in Accounting. I accepted a job with the Kansas ASCS as an County Office Trainee in July of 1985. I was hired as a County Executive Director, (CED), in March of 1986 in Pawnee County, Kansas. I have been working in that position ever since. It now is the FSA. In June of 2012, I started serving as the CED in Edwards County as well. I have served as the Sheep Superintendent for the Pawnee County, Kansas fair since 1986. I have served as a director of the Kansas Sheep Association for several years and I am still a member of the KSA. I was a 4-H Community leader for 13 years and still remain active with the local extension service. I am a director of the Ft. Larned Historical Society and serve as a volunteer for the Larned State Theater. I was an assistant coach for basketball for the Larned High School for 15 years. Jansyn and I have attended several All American Junior Shows since 2008 and NAILE since 2006. We have shown at the Kansas State Fair and Nebraska State for the last several years. I look forward to the opportunity to serve on the AHSA board of directors and continue to develop programs for all facets of the industry whether it be wether type, fitted or commercial range, with a special emphasis on growing youth programs across the country.

**Ted Van Horn**  
**620-285-9486**

## **District 7 – Scott Van Sickle**

I have been honored to serve as a director for members of district 7 and am asking for your support in the election this November.

The American Hampshire Sheep Association is an exciting organization. My first two terms as director has been exciting and very busy. I was a part of the interview/hiring process for our executive Secretary, Mr. Ebert and the office relocation. During my tenure the board has started several online sales, with the goal to allow as many Hampshire breeders as possible the opportunity to participate. We have started a junior show in Sedalia. Last year I was honored by being elected President and have the opportunity to work with a fine group of shepherds to move our association forward.

The Association has an efficient office staff and as directors we continue to look at ways to improve office efficiency and communication to members. Article 2, Section 3 of the Constitution and Bylaws states a goal: "To cultivate and sustain interest in Hampshire sheep in the United States." To that purpose, I believe that we need to continue to grow our support of the youth program. Finding and developing ideas that attract youth involvement in our breed will reap benefits for all of us for years to come. With this in mind, in my term as a director, the board has supported the Jr AHSA, supported a scholarship program and is working on another new program to support junior shows. Our breed is multi faceted and the market continues to bear that out. I believe that we should embrace and cultivate this obvious breed advantage in order to continue our growth.

My experience with hampshires began in central Kentucky in 1983 with my family purchasing four ewes and one ram from the Ohio Hampshire Showcase Sale. We started with frame type hampshires and incorporated wether type a few years later. During the 80's and early 90's, I was very active in showing at numerous county fairs and the Kentucky State Fair in 4-H, FFA and open classes. My sheep project guided many aspects of my youth, including my 4-H speeches and demonstrations and FFA impromptu speaking. Dad taught me to shear and after that I began to shear for local flocks. I was then and continue to be very passionate about the sheep industry.

In 1994 I had the great honor to marry my wife, Meg. During the next four years I worked at married life, college, at the University of Kentucky feed mill and custom shearing. It was a busy time. But I also found time to go back home and help dad with the flock. I enjoyed watching the flock grow and evolve. After graduating with honors from UK in 1998, my wife and I moved to Logan County, Kentucky.

After the move, it took some time, but we finally bought a farm in 2004. After much preparation, we bought our first registered hampshires in 2006. The flock has grown slowly to a base of 20 registered ewes with some guard llamas and a few cows. We run a breeding program that focuses on sound, productive sheep. We collect a lot of data on the farm and have it analyzed at Kentucky State University to ensure that we are keeping lambs with the highest genetic potential. Our farm recently became complete with the birth of our children in 2008 and 2011 and has given new meaning to our "family farm".

Beyond the farm, I have been active in numerous ovine related activities. Currently, I am a member & Kentucky Sheep and Wool Producers Association, member of the Tennessee Sheep Producers Association and, of course, the American Hampshire Sheep Association. I have also served on the board of the Kentucky Sheep and Goat Development Office and on the editorial board for HoofPrint magazine. I was also on the Kentucky Sheep Check-off board in 2010 and 2011 and have worked with the local 4-H lamb club in the past, and served on our local county fair board. I am a fulltime independent agronomist holding a Kentucky and national certification, as well as a licensed auctioneer.

Finally, I appreciate each of you taking the time to read this biography and for those of you in my district, I ask for your vote. I would like to continue to bring my experience and passion for our industry and breed to work for each of you. I am eager and honored to carry on serving the American Hampshire Sheep Association members of District 7.

Sincerely,

**Scott Van Sickle**

## **At Large – Tom Bobendrier**

Greetings to members of the American Hampshire Sheep Association. I am running for the At-Large seat for the Board of Directors of the AHSA. My wife, Shelly, and I live near Pipestone, MN, along with our sons, Brady, Mitch, Same and Nate. Together with our sons we operate Western state fairs, regional and national sales, our local county fair, and the NAILE. Our family is proud to be the fourth and fifth generation of Bobendrier's to be involved in the purebred sheep industry.

Outside of our sheep enterprise, Shelly and I own and manage Pipestone Grain Company; a feed, seed and fertilizer agribusiness. Our clientele operates within a 30-40 mile radius of Pipestone, and we have been working side by side with them since 1975 when my parents, Chuck and Jan, purchased the business. Our sons are involved in 4-H, FFA, church, and school functions; and we are proud to have our oldest two boys, Brady and Mitch, as students at the University of Minnesota in St. Paul.

If elected to the Board, I would continue to seek feedback from members about association progress. Our Hampshire breed and association are clear leaders in the purebred sheep industry, and it takes the strength of all of our membership to continue that progression. We are a diversified breed, and by embracing the positives of our different facets, we can maintain and enhance the marketing opportunities and benefits for all of our members.

Thank you for your past support and feedback; and I am asking for your continued support as we approach the election for the board this fall. As always, please contact me with any questions or comments.

Thank you for your consideration.

**Tom Bobendrier**

10/8/18

The transition from summer to fall has been a difficult one for us in South Dakota, especially with how incredibly wet and cold it has been. It seems that we have gotten more rain in the month of October than we did all summer! The rain is appreciated yet inconvenient, as many farmers are trying to harvest at this time. There have even been predictions of snow for this week as I sit and write this. We are all crossing our fingers that the snow doesn't come quite yet!

This year is my senior year, and has been going by fast. It is hard to believe that I will soon have to decide where to go to college and what I want to do for the rest of my life. This transition can be seen as a new season of my life. Even though I am not ready for it to come, I need to accept the fact that it is time to move on. My plans for college are to attend SDSU to pursue an Ag degree- the rest is up to God. The hardest part about moving will be the fact that I won't be on the farm everyday anymore. It will be difficult to not do chores or go out and check ewes on a regular basis, but nevertheless, I am excited for the journey that lies ahead.

This summer was a busy season. All of the shows that my family went to, including the All American and the South Dakota State Fair, were successful for Houghtaling Hamps. We had several sheep that made it in the top 5 at both and we are excited to see where they stand in Louisville.

As my first year as the American Junior Hampshire Sheep Assn. President comes to an end, I am thankful for my experience in this position. I have met many inspiring people in the sheep industry and hope to meet more for my final year. I also hope to help increase the membership involvement for the Hampshire breed by advocating for shows such as NAILE and the Midwest Stud Ram Sale. One of my biggest goals is to increase junior member involvement in my home state of South Dakota. It is always humbling to see the quality that comes from this state. In the future, I would like to see more junior shows come to the South Dakota region and the tristate area to display the quality sheep in the Great Plains region.

I hope that everyone has had or is having a successful fall lambing season and a happy fall season!

Respectfully Submitted,  
Danielle Houghtaling  
AJHSA President

## INGREDIENTS |

**LAMB** --- 4 cloves garlic, minced - 1 shallot, minced - 1/2 bunch parsley leaves, chopped - 1/2 bunch mint leaves, chopped - 1/2 cup extra virgin olive oil - 2 tablespoons red wine vinegar - 1/2 teaspoon kosher salt - 1 teaspoon black pepper - 8 lamb loin chop

**POTATOES** --- 1/4 cup olive oil, divided - 1 1/2 pounds fingerling potatoes, cut in half lengthwise - 4 garlic cloves, crushed - 1 teaspoon fresh thyme, chopped - 1 tablespoon kosher salt - 1 teaspoon freshly ground black pepper

**GREEN BEANS** --- Kosher salt - 1/2 pound green beans, stems removed - 1 tablespoon butter - freshly ground black pepper

## DIRECTIONS |

**LAMB** --- In bowl, add garlic, shallot, herbs, olive oil, vinegar, salt and pepper. Whisk to combine. Place lamb chops into a bowl and add 3/4 cup of marinade (reserve remaining marinade for sauce). Mix to coat thoroughly. Cover and refrigerate for at least 1 hour. Preheat grill to medium-high heat.

Grill lamb to desired temperature (medium-rare is recommended). Remove from heat and allow the lamb chops to rest for 5 minutes. Drizzle chops with the reserved mint and garlic sauce. Serve with roasted potatoes and green beans.

**POTATOES** --- Place a sheet pan in the oven and preheat to 425°F. In a bowl, combine 1/8 cup of olive oil and remaining ingredients. Toss to coat potatoes. Pour 1/8 cup olive oil onto hot sheet pan and allow to heat for 1 minute. Place potatoes onto hot sheet pan and roast for 20 minutes or until golden brown. Serve immediately.

**GREEN BEANS** --- In large pot, add 1 tablespoon salt and 2 quarts water; bring to a boil. Add green beans and cook until tender, approximately 4 minutes. Remove beans from water, place into bowl with butter and toss to coat. Salt and pepper to taste. Serve immediately.

**SERVINGS: 4**

## Random Thoughts From the Executive Secretary

As 2018 starts to wind down and I reflect back on not only 2018 but my 4 ½ years as executive secretary of the American Hampshire Sheep Association, many things come to mind. It has been a wonderful experience working with breeders and a breed of sheep that I have loved my whole life.

When I took over in the spring of 2014 Associated Registry was working with 23 breeds, however in those first several months we lost four breeds in various ways. In the Fall of 2018 we now serve 32 breeds and two of the breeds that left us in 2018 have now returned to Associated Registry.

In 2014 the AHSA showed a small profit and each year since that time the bottom line of the Financial statement has shown much improvement, which has allowed us to continually add and develop new programs for the AHSA. One of the biggest challenges that all small businesses struggle with is finding and retaining quality employees. As we have grown especially in the spring of 2018 we have added staff to handle the extra work load. We currently have on staff in addition to myself, five employees who work a varying amount of hours each week. Thankfully, some of them have flexible schedules that allow them to help more during the busy season.

We are continually looking to expand the Associated Registry side of the business by adding new associations and serving our current clients in different ways. We are capable of serving any species of livestock and can adjust our pedigrees to meet the various associations needs.

Turning our attention to the Hampshire association, we have seen a sizeable increase in transfers in 2018 compared to 2017. Registration numbers are lagging behind the pace of 2017 but we do have an amnesty program in place from now until the end of 2018 so all registrations regardless to the age of the Hampshire will be registered at the \$4 rate. Use this opportunity to catch up on your registry work.

The AHSA continues to offer sponsorship to many junior shows across the country. We held a small but successful junior show at Sedalia during the Midwest Stud Ram Sale in 2018. We continue to provide sponsorship to the Midwest Junior Preview Show, All American Junior Show at National Junior Hampshire Show at Louisville. These youth shows are an important part of our industry to help keep it thriving and growing.

The AHSA board is always looking for new and innovative ideas to keep Hampshires at the top in all facets of the sheep industry. Do not hesitate to reach out to a board member or the AHSA office if you have suggestions. Our job is to serve you our membership.

Looking forward to seeing many of you in Louisville for the North American.

# HAMPSHIRE HISTORY 1966

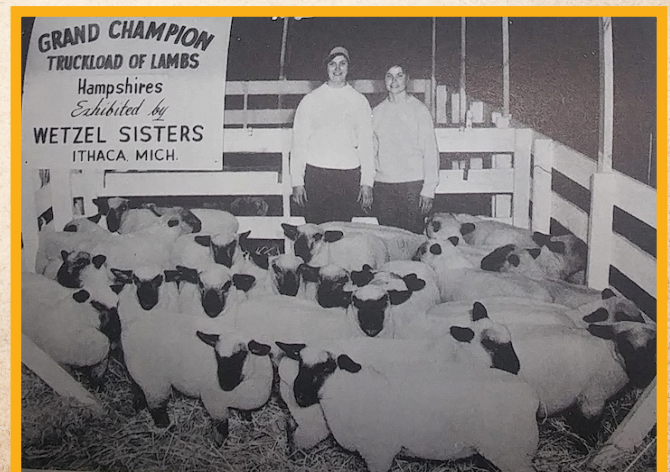

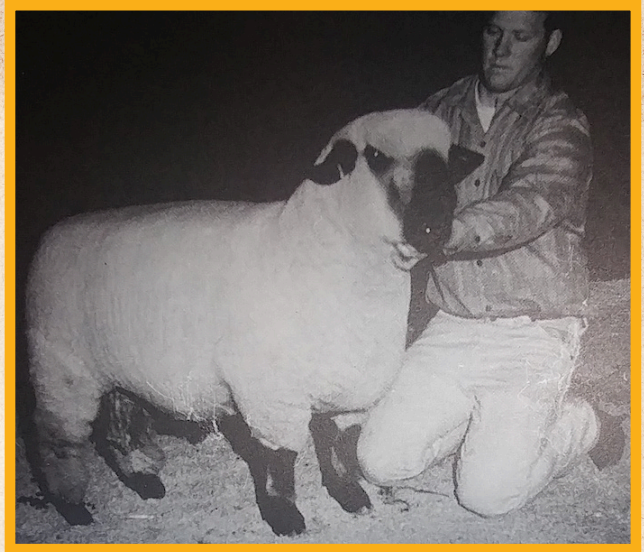

In this issue, we look back through the 1966 Hampshire flock book. A lot of great history of our great breed is contained in these Hampshire Flock Record books. They were published most years since the beginning of the American Hampshire Sheep Association.

In 1966, Roy Gilman, from Stuart, Iowa, was the executive secretary of the AHSA. Tom Durham, from Illinois, served as the president and George Scott, from Colorado, served as the Vice President. Other directors and their

state included Ronald Hogg, Oregon, Howard Vernon, Kansas, Donald Pullin, Iowa, Harrison Davis, Texas, Glen Armentrout, Missouri, Rogers Davis, Mississippi, John Nordin, Pennsylvania, S.F. McClure Jr., Virginia and Dr. H.E. Furgeson, Montana.

A few highlights that I pulled out of the flock book as I looked through it: there were 26,436 Hampshires registered in 1966 which was 18,440 ewes and 7,996 rams. Illinois registered the most head in 1966 with 2,328 head followed by Iowa, California, South Dakota, Minnesota, Oregon, Kansas, Missouri and Oklahoma. All of these states registered 1,000 or more Hampshires in 1966. Breeders who registered the most Hampshires in 1966 included Leroy McCosh, Kansas, RW Hogg & Sons, Oregon, University of Wisconsin, CM Hubbard & Sons, Oregon, Green Acres Stock Farm, Texas and Mount Haggin Livestock, Inc., Montana.

The exact number of transfers was not tracked in the flock books but there were numerous groups of 20 to 50 head or more ewes that were sold from one flock to another during this time period. There were 208 new members of the AHSA who joined in 1966.

## AHSA REGISTRATION AMNESTY

The American Hampshire Sheep Association is again offering an amnesty period from September 1, 2018 through December 31, 2018 for registrations. All Hampshire registrations will be done at the \$4 rate during this time period regardless of the animal's age. Please make plans to catch up those registrations that you have been putting off this fall and save yourself some money.

## AHSA FUTURITY POINT FORMS

Juniors be sure you are turning in those futurity point forms on the futurity nominated Hampshire ewe lambs that you purchased this spring and summer. Look for an updated futurity standings to be posted on the Hampshire website next week. Point forms need to be mailed, faxed or emailed to the AHSA office by November 1st.

# Herrig Hampshires

Herrig 1159  
First place yearling ram at the  
2018 Minnesota State Fair.

Reserve Champion Ram
